- There are sheep present at the site. It is forbidden to feed and scare them.
- Please respect the surrounding wildlife.
- The night lighting and the noise level of the detectors must be reasonable, so as not to disturb the tranquility of the place and the proper functioning of the session of the other fishermen.
- Appropriate attire is required. Drug use, drunkenness, rioting or a disrespectful attitude towards other fishermen or managers will result in immediate and permanent exclusion without reimbursement of the sums paid, and may eventually lead to legal proceedings.
- All of our fish are listed so we can keep track. Any attempted theft, mutilation, or poaching will result in prosecution.
- For your safety, the site is under 24-hour video surveillance and increased surveillance is carried out in the gravel pit.
- Generators are FORBIDDEN

When you book a hornbeam experience, you're booking a stay at a fishing center, not a leisure center. Therefore, you agree to respect the rules, the site and the other anglers.

ANIMALS

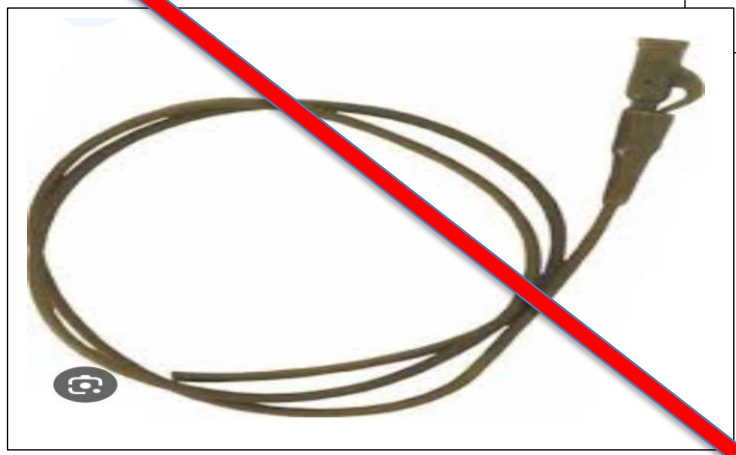

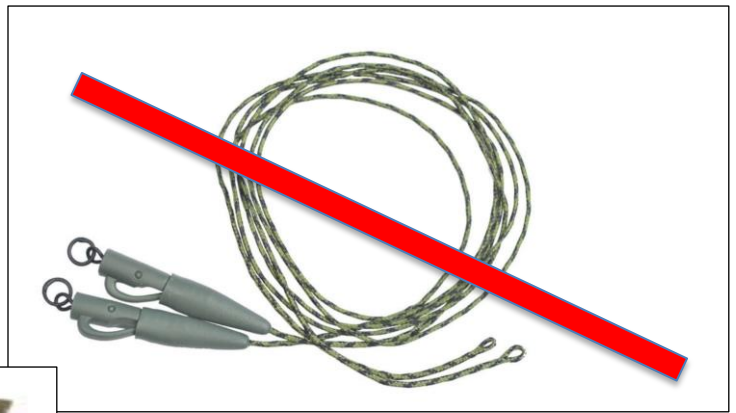

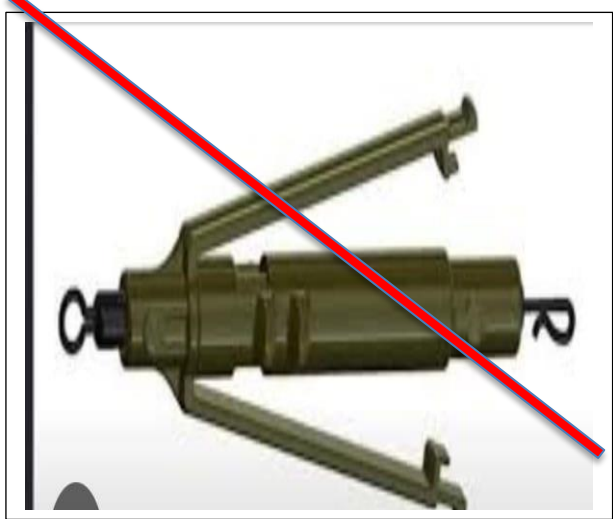

They should be kept on a leash on posts 1 and 2 due to the presence of sheep and not wander around the other stalls or around the water

You should not disturb other anglers (barking, aggression, etc.), please pick up their needs and should not harm the animals on the site.

We wish you a pleasant stay in carpe experience.
